

LOUIS JADOT CÔTE D'OR BURGUNDIES

*Beaune Greves le Clos Blanc Premier Cru
2020*

95 Points

A beautiful white Burgundy that won't break the bank! Deep and complex nose, with a wide range of citrus and yellow stone fruit. plus a delicate vanilla touch. Excellent structure and concentration. Quite generous body, but this is so focused that it feels much lighter than it really is, and the vitality at the finish greatly increases this impression. The delicate vanilla oak is so beautifully integrated into the picture. From organically grown grapes. Drink or hold.
