**REBELLIOUS**

*California Pinot Noir 2021*

**The best  
wines for  
Thanksgi  
ving  
dinner**

A remarkable deal for a California Pinot, this new wine has abundant berry fruit but stays light on its feet at the same time — possibly due to the unusual addition of

small amounts of Sangiovese and  
Chardonnay (yes, that's right) to the blend.
