

RÉSONANCE

Resonance Vineyard Pinot Noir 2021

93 Points

A preliminary blend of the components illustrates the promise of the vineyard and the vintage. It has aromas of cranberry sauce and red cherries with streaks of iron and flint, cracked pepper, charcuterie and tobacco leaves. The light-bodied palate is delicately styled yet offers notable concentration for its weight. Finely chalky, very refreshing, with layered, perfumed berry fruit, it has a long, nuanced finish.
