

LA CHAPELLE HERMITAGE

La Chapelle Hermitage Rouge 2021

96 Points

Incredibly deep and complex nose for the 2021 vintage with masses of forest berry, licorice and autumn trumpet mushroom aromas, with an enormous tannin structure that's very refined. The classic power of Hermitage comes through at the extremely long finish. Although the tannins are anything but aggressive, the aromas will need considerable time to fully unfurl. From parcels on the western side of the Hermitage hill with predominantly granite soils, the largest parcel being in Le Meal. From organically grown grapes.
