LA CHAPELLE HERMITAGE

Chevalier de Sterimberg 2021

95 Points

Fascinating nose that combines notes of white flowers with stone fruit and complex vegetal aromas. Both right and structured, this has a tone of wet stone minerality and wild herb freshness. Long complete finish with a wonderful silky texture. A cuvee of roughly two-thirds marsanne and one-third roussanne. Matured in a combination of concrete eggs and demi-muid oak casks. From organically grown grapes
