LOUIS JADOT CÔTE D'OR BURGUNDIES

Corton-Pougets Grand Cru 2019

92-94 POINTS

This is actually quite aromatically similar to the Corton-Grèves though with a bit more elegance. The elegance continues onto the sleekly muscular middle weight flavors that also exude evident minerality on the moderately austere finale that offers both very fine depth and length.

Allen Meadows - April 10, 2021
